**Photo Permissions Form 2023-2024**

Dear Parents/Carers,

We are updating our photo permissions. This time, we will no longer be asking for a simple yes or no as this isn't always appropriate as we use photos for many different purposes. Therefore, we ask that you complete the form (linked at the bottom of the letter) which covers the following areas. If you would like to retract any permission, please let contact the school office.

If we do not have a completed form, we will not use your child's photo.

- Do you give permission for your child's photo to be used internally in our school building e.g. on displays, noticeboards?
- Do you give permission for your child's photo to be used on our school website?
- Do you give permission for your child's photo to be used on marketing materials for distribution outside of our school, such as banners and flyers?
- Do you give permission for your child's photo to be used on our social media?
- Do you give permission for your child's photo to be used in other children's workbooks? i.e. group photos, work evidence?
- Do you give permission for third parties to use your child's photo in their marketing and social media? All third parties are vigorously checked and verified by our school. These could be Harrogate Town FC, museums, destinations we go to.

Thank you for your support with this. We will be in touch in the coming weeks about Individual School Photos and Class Photos in case anyone would like to 'opt out' of these.

Please find the form here - [Photo Permission Form 2023-2024](#)
