Year 6 Residential Visit to Beverley Park – 2024

Dear Parents,

We are starting to prepare for next year's residential visit, this time to Beverley Park on the outskirts of Pateley Bridge. Our current Year 5 children will start their final year with this fabulous experience. It is important to us that every child benefits from this tremendous opportunity to try out new activities and to stay away from home, perhaps for the first time. After many years of residential adventures, we know that these visits build confidence and independence like no other; a perfect preparation for your child's final year at primary and transfer to secondary school.

This year our trip to Beverley Park will be for three days (two nights):
October 23rd 2024 – October 25th 2024.

Unlike previous years, we can go as a whole year group which will add to the excitement of the experience. The total cost per child for the visit to Beverley Park is £230.00. This cost includes insurance, coach travel, full board accommodation, the cost of professional leaders, use of special equipment and all activities. For some parents on low incomes the cost can be reduced by making an application to the Richard Taylor Trust. Please check with the school office to see if you think you may be eligible.

Payment can be made for the trip in a variety of ways, either as a one-off lump sum or by smaller regular instalments. **The final balance must be paid before Friday 11th October 2024.**

To secure your child's place on this fantastic residential, please pay a **non-refundable deposit** of £20.00 on ParentPay by **Friday 26th January 2024**. By paying the deposit you are consenting to your child's attendance on this trip as well as committing to paying the full amount of £230.00, even if your child later changes their mind. Please ensure your child is 100% committed to this trip – any concerns or worries, don't hesitate to speak to a member of the Year 5 or Year 6 team – all of whom have attended previous residential.

More details of the trip, kit lists, medical forms and dates for a parents' meeting will be sent nearer the visit. In the meantime, if you have internet access, Beverley Park has a website at <https://outdoored.co.uk/parents-and-carers-hub/> where you can look at the wonderful opportunities on offer including; the range of activities, the accommodation and the food.

Yours sincerely

The Year 6 Team
