Adeola Staffing Update

Dear Parents and Carers,

I hope that you are enjoying the Summer Term with your children in Reception and looking forward to Sports Day and other lovely end of term events.

I am writing to inform you that sadly, Miss Coupe will soon be leaving us, as she is relocating and has obtained another job in a different area. It was always Miss. Coupe's plan to move this year and we were very grateful to her for staying for so long and for stepping in to help Adeola Class when there were unavoidable staff changes last term. I am very conscious that this is another change for your children and for that, I do apologise; circumstances have meant that we have needed to adapt and change our plans this year, as is sometimes the case in schools. However, we will be providing continuity for your children through the excellent support of Mrs. Hendry within Adeola Class, and also the team in Donaldson Class, who work closely with your children. Miss. Gotts will continue to pop in and to check on your children and to oversee the provision in Reception, as well as leading the transition visits and arrangements as they prepare to move up to Key Stage 1.

For the last few weeks of this term, Adeola Class will be taught by Miss. Bowden and Mrs. Pierce. Miss. Bowden has already been into school to meet the class and spent time with Miss. Gotts, having a handover of information about your children and establishing the next steps in their learning. Some of you may know Mrs. Pierce, who will be returning from her maternity leave on 3rd July; she has been a teacher at Saltergate for some time and is very familiar with both of our schools.

Please be assured that we will be working to ensure that your children have a lovely last few weeks in Reception and to continue their learning journey; they are a delightful class and we are extremely proud of them all.

Kind Regards,

Jo Hall
Headteacher
